Working Family Childcare Offer

From September 2025 working parents in England with children aged 9 months and up will have access to 30 hours childcare. This subsidised childcare applies from the term after your child is 9 months. It is available on a term time basis for 38 weeks per year, or a stretched basis for 51 weeks per year.

This entitlement has eligibility criteria and parents/carers must ensure that this funding is applied for via the Childcare Choices website at https://www.childcarechoices.gov.uk/.

Please note you will need to check your eligibility every 3 months (usually before the beginning of the next term), and your unique code provided each time to the nursery for validation.

Parents/carers are responsible for the payment of any meals provided and for any additional care outside the funded session.

3-Year Funding - 15 hours funded free childcare

You will be entitled to 15 hours per week of funded childcare from the term after your child's 3rd birthday. This subsidised childcare is available for all children and is not means tested. Please ask us for application information for 15 hours of funded free childcare.
